Brenley Park Waste Information

Every item of waste disposed of correctly has a positive impact on the environment and the service charges that you pay. The team would like to reduce the amount residents pay towards removing items dumped in and around the bin stores. (Fly tipping).

If you rent out your apartment, please ensure this information is made available to your existing and future tenants as part of their property information pack.

If you notice fly tipping at Brenley Park, please provide as much information as you can, such as car registration number, flat number etc to treehouse@brenleypark.co.uk

Merton Council has a very strict policy and can result in personal fines starting at £150 and can possibly lead to a criminal conviction for serious offences.
